

Chapter 4 - Practice Set

1 ✓ What will the following print in JavaScript?

`console.log("har\".length)`

4

2 ✓ Explore the `includes`, `startsWith` & `endsWith` functions of a string ✓

3 ✓ Write a program to convert a given string to lowercase

4 ✓ Extract the amount out of this string

"Please give Rs 1000"

5 ✓ Try to change 4th character of a given string. Were you able to do it?

It cannot be done since, string is immutable.
